Over 140 employees from NH International (Caribbean) Limited (NH) and Weathershield Systems Caribbean Limited (WSCL) participated in the Group's Health and Wellness Fair, held last Thursday and Friday, September 12 & 13, 2024, at its El Socorro and St James locations.

Michelle Clarke, Director and Head of Human Resources, emphasised the importance of the event, stating, "As a Construction Group, it is essential for us to address the unique needs of our employees, who face physically and mentally demanding tasks every day."

She added, "In response to requests from employees at both NH and WSCL, we were able to offer medical exams and information that promote healthy lifestyles, all at no cost to them."

The two-day fair featured health screenings for lifestyle diseases, cancer screenings, immunization, vision tests, and mental health assessments.
